

Veterans Transition Support

No Cost LEAN Six Sigma Green Belt with Supply Chain

Veterans Transition Support is providing a five (5) Day No Cost LEAN Six Sigma Green Belt Certificate Course in San Marcos for San Diego veterans with a DD-214 and terminal leave must be completed.

LEAN Six Sigma topics include: A3 Problem Solving, Value Stream Mapping, Kaizen Group Improvement, 5S Organization, Standard Work & Job Instruction, Project Charters, SPC Control Charts, Performance Board Pareto Charts, 5 Why's, Fishbone Cause and Effect Diagrams, Risk Management, FMEA and SWOT Analysis.

Supply Chain topics include: Supply Chain Strategy & Planning; Supply Chain Sourcing, Forecasting and Risk Management; Supply Chain Network Design; Sales and Operations Planning (S&OP); 3PL Inventory Management, B2B Contracts.

The LEAN Six Sigma Green Belt Certification is based on practical application of the tools listed above with in-class team projects.

This 5 Day LEAN Six Sigma Green Belt Certificate course with Supply Chain is sponsored by Interfaith Community Services and requires a DD-214, San Diego residency & registration with their employment program.

Dates & Times: April 17-21, 2023 from 0900 - 1630

Location:

Veterans Transition Support, 334 Via Vera Cruz #203, San Marcos, CA
